EDUCATION

Michigan State University, East Lansing, MI — *Jan 2022 - present*
Ph.D., Mechanical Engineering (*in-progress*)
Advisor: Dr. Firas Khasawneh
GPA: 4.0/4.0

Grand Valley State University, Allendale, MI — *Aug 2016 - Aug 2021*
B.S.E, Mechanical Engineering
Minor: Mathematics
GPA: 3.96/4.0
Awarded excellence in a discipline in Mechanical Engineering.

RESEARCH/ INDUSTRY EXPERIENCE

Michigan State University, East Lansing, MI
Graduate Assistant — *Jan 2022 - present*
- Working as a research assistant to study nonlinear dynamical systems and chaos through application of topological data analysis.

Grand Valley State University, Allendale, MI
Graduate Assistant — *Aug 2021 - Dec 2021*
- Studied imposter syndrome in engineering students and how a students achievements can improve this feeling.
- Provided mentorship for low income students as part of a combined degree scholarship program to provide advice and help in their courses.
- Advised groups of students working on independent design and build projects.

Teaching Assistant — *Aug 2021 - Dec 2021*
- Lead exam study sessions for an introduction to c programming course.
- Graded assignments for an introduction to c programming course.

Mechanical Engineering Co-op — *May 2019 - Dec 2020*
JR Automation - Holland, MI
- Three rotations working in different departments of the company.
- Experience running quoting meetings with engineering managers to develop pricing of automation equipment
- Detailed and checked mechanical drawing packages.
- Designed and developed concepts of factory automation machines.

Mechanical Engineering Internship — *May 2018 - Aug 2018*
inFORM Studio - Northville, MI
- Designed HVAC, and plumbing systems for buildings.
- Performed mechanical load calculations and used Autodesk Revit for design.
- Communicated with architects to effectively integrate mechanical systems into architectural models.

Mathematics Tutor — *Nov 2016 - Aug 2020*
Grand Valley State University Math Center - Allendale, MI
- Tutored students in courses ranging from beginning algebra through differential equations.

COMPUTING SKILLS

Software: MATLAB, Python, R, Julia, c, git, Slurm Parallel Computing, LaTeX, Inkscape, SolidWorks, Ansys Structural

Operating Systems: MacOS, Windows

SERVICE/ INVOLVEMENT

- Helped build houses with Habitat for Humanity.
- Participated in Juvenile Diabetes Research Foundation (JDRF) One walk to raise awareness of type one diabetes.
- Volunteered at Light the Night for the Leukemia and Lymphoma Society.
- Member of Tau Beta Pi Engineering Honors Society.
- Former treasurer of Delta Tau Delta Iota Upsilon fraternity.
